PRINT GUIDELINES

MIX & MATCH

Our minimum calendar order is 25 units. To mix two different calendar titles the total quantity must be 50 units. Any calendars within the same print group can be mixed to obtain the bulk price, as long as the multiples are in 25's with no additional cost, as long as they are both printed to the same advert. **Desk calendars or Commercial calendars cannot be mixed with Pictorial calendars to gain bulk rate**

PRINT COLOUR

Prices shown are inclusive of printing the advertisement in ONE Standard Colour of either Black, Calendar Red, Warm Red, Process Blue, Pantone Green, Green (347), Yellow 012 or Brown 471. Printing in a matched PMS colour, with PMS No quoted - £10per colour on the job. Where we are required to match colour - £20 per colour.

PACKAGING

Large format (B3) calendars and Pictorial desk calendars include within the price individual insertion into 'recycled' board mailers. All other calendars are supplied loose, not inserted 'recycled' manila envelopes. Insertion is charged at 10p per calendar. **For A3 Pictorial range & Postage saver calendars upgrade from manila to board mailers cost 15p per calendar.**

LEAD TIME

Despatch for calendars normally takes 4-6 weeks, Wall Planners, Holiday Planners, 365 Daily Tear off & B367/366/667/760/813 & 182 take 8-10 weeks, both dates are from receipt of order and/or acceptable artwork for SINGLE colour jobs. Multiple colour jobs require extra time. Shipping calendar order deadline is 1st September.

PRINTING

Unless specified, all jobs will be printed at 85dpi. Overprinting at 150dpi - if you require this service please note there will be an additional charge.

ORDERS

To help us help you, PLEASE clearly show quantity, number of pages of calendar, full title of calendar plus colour of ink/inks required, quoting either standard colours or pantone colours. Please print or type all copy to avoid costly mistakes made in transmission, errors will not be our responsibility.
